

# Cranium Academy of East Orlando

Summer Camp for Ages 5-10

# SUMMER CAMP 2023

Join us for Summer Camp 2023 as we dive into a sea of exciting themes and invigorating fun! From May 30th through August 3rd, children ages 5 to 10 years old will enjoy subjects such as arts, humanities and sciences, while making memories that last a lifetime.

## How to Register

New families: please visit [camps.endeavorschools.com](https://camps.endeavorschools.com).

Current families: please enroll at the school directly.

**Week 3:** 06/12/23 - 06/16/23

**Week 4:** 06/19/23 - 06/23/23

**Week 5:** 06/26/23 - 06/30/23

**Week 6:** 07/03/23 - 07/07/23

**Week 7:** 07/10/23 - 07/14/23

**Week 8:** 07/17/23 - 07/21/23

**Week 9:** 07/24/23 - 07/28/23

**Week 10:** 07/31/23 - 08/03/23

\*Closed 5/29, 7/4 and 8/3

## Hours of Operation

**Camp Day:** 8:30 AM - 3:30 PM

**Full Day:** 7:00 AM - 5:30 PM

# MAIN CAMP THEMES

## **All-Star Athletes: 05/30/23 - 06/02/23**

Back-to-back sports! We're having a ball playing soccer, flag football, volleyball and more. This is an exhilarating opportunity to be active while learning about sportsmanship.

## **Dino World: 06/05/23 - 06/09/23**

This week, our campers are traveling through time to the Jurassic period. Discover dinosaurs through fossil projects, archaeological "digs," books and crafts!

## **Summertime Circus: 06/12/23 - 06/16/23**

Come one come all to the greatest camp yet! Enjoy circus games and treats or work on your juggling skills, magic tricks and balancing acts. The possibilities are endless!

## **I Found a Clue!: 06/19/23 - 06/23/23**

Put on your detective hat — it's time to solve a mystery. Our aspiring detectives will work to uncover clues, crack codes, demystify riddles and go on scavenger hunts!

## **Mad About Meteorology: 06/26/23 - 06/30/23**

Twisting tornados, erupting volcanoes and groundbreaking earthquakes are just a few of Earth's phenomena that we're covering this week. Things are going to get messy!

## **Party in the USA: 07/03/23 - 07/07/23**

We're celebrating the 4th of July all week long! From BBQ favorites and outdoor games to star-spangled art and patriotic activities, it's non-stop united fun.

## **Beach Daze: 07/10/23 - 07/14/23**

We're bringing the beach to our campers. Join us for sand sensory activities, arts and crafts, sink/float experiments and seaside stories.

## **Friends of the Rainforest: 07/17/23 - 07/21/23**

Grab your umbrellas — we're going to the rainforest! Children will learn about the importance of wildlife and conservation through exciting science projects and art.

## **It's Showtime: 07/24/23 - 07/28/23**

Our theater camp is where children build confidence! Together, we will act out scenes from plays, perform musical numbers and learn the art of improv and collaboration.

## **Wild West: 07/31/23 - 08/03/23**

Saddle-up it's going to be a wild ride! Cowboy games, rodeo races and campfire songs are just a few of the western pastimes students enjoy while here at the ranch.

# STEM CAMP THEMES

## **Math All Around Us: 06/19/23 - 06/23/23**

Math isn't only found in a textbook! From game theory, puzzles and cooking, to art, music and code, campers will engage in fun activities that reinforce mathematical concepts in everyday life.

## **Space is the Place: 06/26/23 - 06/30/23**

Escape Earth's gravity to explore the sun, the moon and many of the solar system's fascinating features. Our space explorers learn the ropes as they prepare to take off to infinity and beyond!

## **MarineQuest: 07/10/23 - 07/14/23**

Hold on to your scuba gear – there is a hidden world lurking beneath the ocean's surface! Our budding sea scientists explore the unique, the strange and the perplexing features of underwater life.

## **Eco-Engineering Heroes: 07/17/23 - 07/21/23**

Learn how science, engineering and technology can help us care for the environment. Explore ways to provide clean water, minimize pollution, design for natural occurrences and improve the Earth!

## **Rocking Robots & Machines: 07/31/23 - 08/03/23**

Campers study the fundamentals of engineering and technology necessary to create their own amazing contraptions. Projects include robotic hands, dancing robots and programmable LEGO WeDo structures!
