MAIN CAMP THEMES

Beach Daze: 05/30/23 - 06/02/23

We're bringing the beach to our campers. Join us for sand sensory activities, arts and crafts, sink/float experiments and seaside stories.

Career Day: 06/05/23 - 06/09/23

"When I grow up, I want to be..." Each day, our campers will experience a different career where they learn the ins and outs of thrilling professions.

All-Star Athletes: 06/12/23 - 06/16/23

Back-to-back sports! We're having a ball playing soccer, flag football, volleyball and more. This is an exhilarating opportunity to be active while learning about sportsmanship.

I Found a Clue!: 06/19/23 - 06/23/23

Put on your detective hat — it's time to solve a mystery. Our aspiring detectives will work to uncover clues, crack codes, demystify riddles and go on scavenger hunts!

Dino World: 06/26/23 - 06/30/23

This week, our campers are traveling through time to the Jurassic period. Discover dinosaurs through fossil projects, archaeological "digs," books and crafts!

Party in the USA: 07/03/23 - 07/07/23

We're celebrating the 4th of July all week long! From BBQ favorites and outdoor games to star-spangled art and patriotic activities, it's non-stop united fun.

Mad About Meteorology: 07/10/23 - 07/14/23

Twisting tornados, erupting volcanoes and groundbreaking earthquakes are just a few of Earth's phenomena that we're covering this week. Things are going to get messy!

Teamwork: 07/17/23 - 07/21/23

Campers engage in a variety of lively and interactive team building exercises that aim to form strong friendships while developing critical thinking and problem-solving skills.

It's Showtime: 07/24/23 - 07/28/23

Our theater camp is where children build confidence! Together, we will act out scenes from plays, perform musical numbers and learn the art of improv and collaboration.

Wild West: 07/31/23 - 08/04/23

Saddle-up it's going to be a wild ride! Cowboy games, rodeo races and campfire songs are just a few of the western pastimes students enjoy while here at the ranch.

STEM CAMP THEMES

Eco-Engineering Heroes: 06/12/23 - 06/16/23

Learn how science, engineering and technology can help us care for the environment. Explore ways to provide clean water, minimize pollution, design for natural occurrences and improve the Earth!

MarineQuest: 06/26/23 - 06/30/23

Hold on to your scuba gear – there is a hidden world lurking beneath the ocean's surface! Our budding sea scientists explore the unique, the strange and the perplexing features of underwater life.

Math All Around Us: 07/17/23 - 07/21/23

Math isn't only found in a textbook! From game theory, puzzles and cooking, to art, music and code, campers will engage in fun activities that reinforce mathematical concepts in everyday life.

Rocking Robots & Machines: 07/31/23 - 08/04/23

Campers study the fundamentals of engineering and technology necessary to create their own amazing contraptions. Projects include robotic hands, dancing robots and programmable LEGO WeDo structures!
