# MAIN CAMP THEMES

## **Mad About Meteorology: 05/30/23 - 06/02/23**

Twisting tornados, erupting volcanoes and groundbreaking earthquakes are just a few of Earth's phenomena that we're covering this week. Things are going to get messy!

## **Dino World: 06/12/23 - 06/16/23**

This week, our campers are traveling through time to the Jurassic period. Discover dinosaurs through fossil projects, archaeological "digs," books and crafts!

## **Beach Daze: 06/26/23 - 06/30/23**

We're bringing the beach to our campers. Join us for sand sensory activities, arts and crafts, sink/float experiments and seaside stories.

## **Party in the USA: 07/05/23 - 07/07/23**

We're celebrating the 4th of July all week long! From BBQ favorites and outdoor games to star-spangled art and patriotic activities, it's non-stop united fun.

## **Summertime Circus: 07/10/23 - 07/14/23**

Come one come all to the greatest camp yet! Enjoy circus games and treats or work on your juggling skills, magic tricks and balancing acts. The possibilities are endless!

## **Teamwork: 07/24/23 - 07/28/23**

Campers engage in a variety of lively and interactive team building exercises that aim to form strong friendships while developing critical thinking and problem-solving skills.

# STEM CAMP THEMES

## **Space is the Place: 06/05/23 - 06/09/23**

Escape Earth's gravity to explore the sun, the moon and many of the solar system's fascinating features. Our space explorers learn the ropes as they prepare to take off to infinity and beyond!

## **MarineQuest: 06/19/23 - 06/23/23**

Hold on to your scuba gear – there is a hidden world lurking beneath the ocean's surface! Our budding sea scientists explore the unique, the strange and the perplexing features of underwater life.

## **Rocking Robots & Machines: 07/17/23 - 07/21/23**

Campers study the fundamentals of engineering and technology necessary to create their own amazing contraptions. Projects include robotic hands, dancing robots and programmable LEGO WeDo structures!

## **Math All Around Us: 07/31/23 - 08/04/23**

Math isn't only found in a textbook! From game theory, puzzles and cooking, to art, music and code, campers will engage in fun activities that reinforce mathematical concepts in everyday life.
