MAIN CAMP THEMES

All-Star Athletes: 06/05/23 - 06/09/23

Back-to-back sports! We're having a ball playing soccer, flag football, volleyball and more. This is an exhilarating opportunity to be active while learning about sportsmanship.

Dino World: 06/19/23 - 06/23/23

This week, our campers are traveling through time to the Jurassic period. Discover dinosaurs through fossil projects, archaeological "digs," books and crafts!

Party in the USA: 07/03/23 - 07/07/23

We're celebrating the 4th of July all week long! From BBQ favorites and outdoor games to star-spangled art and patriotic activities, it's non-stop united fun.

Friends of the Rainforest: 07/17/23 - 07/21/23

Grab your umbrellas — we're going to the rainforest! Children will learn about the importance of wildlife and conservation through exciting science projects and art.

Wild West: 07/31/23 - 08/04/23

Saddle-up it's going to be a wild ride! Cowboy games, rodeo races and campfire songs are just a few of the western pastimes students enjoy while here at the ranch.

STEM CAMP THEMES

MarineQuest: 06/12/23 - 06/16/23

Hold on to your scuba gear – there is a hidden world lurking beneath the ocean's surface! Our budding sea scientists explore the unique, the strange and the perplexing features of underwater life.

Eco-Engineering Heroes: 06/26/23 - 06/30/23

Learn how science, engineering and technology can help us care for the environment. Explore ways to provide clean water, minimize pollution, design for natural occurrences and improve the Earth!

Math All Around Us: 07/10/23 - 07/14/23

Math isn't only found in a textbook! From game theory, puzzles and cooking, to art, music and code, campers will engage in fun activities that reinforce mathematical concepts in everyday life.

Space is the Place: 07/24/23 - 07/28/23

Escape Earth's gravity to explore the sun, the moon and many of the solar system's fascinating features. Our space explorers learn the ropes as they prepare to take off to infinity and beyond!

Rocking Robots & Machines: 08/07/23 - 08/11/23

Campers study the fundamentals of engineering and technology necessary to create their own amazing contraptions. Projects include robotic hands, dancing robots and programmable LEGO WeDo structures!
