MAIN CAMP THEMES

Teamwork: 05/30/23 - 06/02/23

Campers engage in a variety of lively and interactive team building exercises that aim to form strong friendships while developing critical thinking and problem-solving skills.

Friends of the Rainforest: 06/05/23 - 06/09/23

Grab your umbrellas — we're going to the rainforest! Children will learn about the importance of wildlife and conservation through exciting science projects and art.

All-Star Athletes: 06/12/23 - 06/16/23

Back-to-back sports! We're having a ball playing soccer, flag football, volleyball and more. This is an exhilarating opportunity to be active while learning about sportsmanship.

Beach Daze: 06/19/23 - 06/23/23

We're bringing the beach to our campers. Join us for sand sensory activities, arts and crafts, sink/float experiments and seaside stories.

I Found a Clue!: 06/26/23 - 06/30/23

Put on your detective hat — it's time to solve a mystery. Our aspiring detectives will work to uncover clues, crack codes, demystify riddles and go on scavenger hunts!

Party in the USA: 07/03/23 - 07/07/23

We're celebrating the 4th of July all week long! From BBQ favorites and outdoor games to star-spangled art and patriotic activities, it's non-stop united fun.

Dino World: 07/10/23 - 07/14/23

This week, our campers are traveling through time to the Jurassic period. Discover dinosaurs through fossil projects, archaeological "digs," books and crafts!

Mad About Meteorology: 07/17/23 - 07/21/23

Twisting tornados, erupting volcanoes and groundbreaking earthquakes are just a few of Earth's phenomena that we're covering this week. Things are going to get messy!

Wild West: 07/24/23 - 07/28/23

Saddle-up it's going to be a wild ride! Cowboy games, rodeo races and campfire songs are just a few of the western pastimes students enjoy while here at the ranch.

Summertime Circus: 07/31/23 - 08/02/23

Come one come all to the greatest camp yet! Enjoy circus games and treats or work on your juggling skills, magic tricks and balancing acts. The possibilities are endless!

STEM CAMP THEMES

MarineQuest: 06/05/23 - 06/09/23

Hold on to your scuba gear – there is a hidden world lurking beneath the ocean's surface! Our budding sea scientists explore the unique, the strange and the perplexing features of underwater life.

Rocking Robots & Machines: 06/19/23 - 06/23/23

Campers study the fundamentals of engineering and technology necessary to create their own amazing contraptions. Projects include robotic hands, dancing robots and programmable LEGO WeDo structures!

Eco-Engineering Heroes: 07/10/23 - 07/14/23

Learn how science, engineering and technology can help us care for the environment. Explore ways to provide clean water, minimize pollution, design for natural occurrences and improve the Earth!
