# MAIN CAMP THEMES

## **Passport to Adventure: 06/17/24 - 06/21/24**

Pack your bags, we're exploring various cultures and countries across the globe! Campers will engage in cultural workshops, games, and learn about renowned landmarks, foods and traditions.

## **Aviation Adventure: 06/24/24 - 06/28/24**

Campers take to the skies and explore the science and engineering of life at 30,000 feet with dynamic, hands-on flight-based activities, as well as learning about the pioneers and heroes of aviation.

## **Hands on History: 07/01/24 - 07/05/24**

Let's go on a journey through multiple eras and engage in activities influenced by different periods in history. Together, we will construct time-traveler projects based on cultural and historical events.

## **Mix it Up!: 07/08/24 - 07/12/24**

Aspiring young cooks will discover a fresh, fun perspective on cupcakes and other culinary creations as they whip up both sweet and savory versions throughout the week. Let's taste test and find out whose culinary masterpiece is the best!

## **Creative Chemistry: 07/15/24 - 07/19/24**

Dive into the imaginative realm of chemistry where campers have the opportunity to explore chemical reactions, osmosis, and even indulge in delightful edible experiments that delve into the chemistry of cooking!

## **Stroke of Genius: 07/22/24 - 07/26/24**

A thrilling experience that inspires campers to unleash their creativity and experiment with diverse art forms. Come discover renowned artists, craft your own artistic projects, and take part in inspiring games and activities.

## **Myth Busters: 07/29/24 - 08/02/24**

We're combining the precision of the scientific method, the joy of gleeful curiosity, and the charm of ingenuity. This unique blend allows us to create a signature style of experimentation that's not only educational, but explosively entertaining.

## **Game On!: 08/05/24 - 08/09/24**

Ready? Set. Go! We're racing to the finish line during a week of indoor and outdoor games. Join us for some physical and strategic games with friends and learn about the science behind movement and sports!

## **Geology Rocks!: 08/12/24 - 08/13/24**

Introducing you to a captivating universe of Geological Engineering and Geology. Acquire knowledge about Earth's history, significant minerals like diamonds, energy resources such as oil, and challenges posed by earthquakes.
